About

A Tribute To The Groovy Sounds Of The 60's.. LIVE!

This 6 person family friendly event band located out of Valley Village California has a big sound, made up of professional hard working musicians who all have many years of entertainment experience under their belts. Originally formed in 2011 by founder and lead singer TJ Rosenman in Florida, now carfully recast on the West Coast in 2017 and entertaining audiences at festivals, corporate events, private functions, social clubs, VFW's, Restaurants with entertainment, weddings, nightclubs and car shows.

We've carefully chosen songs that are fun to listen, dance and sing along to, shying away from the psychedelic songs of that time. Almost every song is a #1 Hit or Top 10 from Billboard magazine's 1960's top 100. Hits from The Beatles, Beach Boys, Elvis, Those Fab 60's Girl Groups, One Hit Wonders, Motown and More! While one tribute band plays only songs from one particular band or singer, at a
BEACH St. A GoGo! show your audience can Rock, Roll and Remember as we play close to 50 "BOSS" hits in a three hour show by over 40 bands or singers that defined a generation. You BOOK A DECADE of Hits!

Our shows are flexible and can be one, two or three hours and include costume changes, audience

participation and stories of the bands and the music that made them famous. Our audiences are multi generational. From the young to the young at heart who don't have a chance to hear the songs of their youth being played live anymore.They love what we do and we make your event memorable.
