BonJour: The Bon Jovi and Journey Experience, Played Completely Live

About

BonJour | The Bon Jovi/Journey Concert Experience

Two legendary catalogs. One unforgettable live experience.

Great concerts leave audiences with more than memories—they leave them with a feeling. BonJour brings that feeling to life through a high-energy celebration of the music of two of arena rock's most iconic bands: Bon Jovi and Journey.

More than a collection of hit songs, BonJour delivers an expertly crafted concert experience featuring soaring melodies, heartfelt ballads, signature guitar work, and arena-rock anthems that have become the soundtrack of generations.

Everyone Knows Every Song.

That's the promise behind BonJour. From massive stadium hits and crowd-favorite sing-alongs to thoughtfully selected fan favorites and deeper cuts, every song is chosen to create a connection, stir a memory, and bring audiences together.

Authentic by Design — 100% Live

BonJour isn't a look-alike impersonation act. It's a celebration of the music itself, guided by one simple philosophy:

The Song is the Star.

Every performance is played completely live, without backing tracks or prerecorded vocals. Faithful arrangements, original keys whenever possible, authentic instrumentation, signature instrumental hooks, and rich four-part vocal harmonies honor the sound and spirit of the original recordings.

The result is the unmistakable energy, spontaneity, and connection that only live musicians can create.

Five Seasoned Musicians. One Shared Passion.

Fronted by powerhouse female lead vocalist Cheryl McIntyre, BonJour brings together five accomplished professional musicians, each with more than 30 years of live performance experience.

Cheryl McIntyre — Lead Vocals

Aaron Cheney — Guitar & Vocals

Matt Meldrum — Keyboards, Guitar & Vocals

Ray Opheikens — Bass & Vocals

Tommy Maras — Drums & Percussion

Together, they bring decades of professional musicianship, performance experience, and a shared commitment to honoring the music audiences know and love.

A Complete Concert Experience

BonJour's carefully paced show brings together the timeless melodies and emotional power of Journey with the high-energy arena rock of Bon Jovi, creating a dynamic performance that moves between unforgettable anthems, heartfelt ballads, and audience-wide sing-alongs.

Available as 60-, 90-, or 120-minute continuous concert experiences, BonJour is well suited for festivals, casinos, performing arts centers, community concert series, corporate events, and private celebrations.

For private engagements, additional Journey and Bon Jovi selections outside the regular concert setlist may be available by advance request.

More Than a Tribute Show

BonJour doesn't ask audiences to believe they're watching the original artists. Instead, the band invites them to experience the music that has been part of their lives for decades.

The goal isn't to have audiences leave saying, "Look what they can play."

The goal is for them to say:

"I remember this!"

That is the BonJour Experience.
