Tribute to Journey

About

Based in Louisville, KY CAPTURED is the Ultimate Journey Tribute that will transport you back to a time when power ballads, searing guitar solos and Steve Perry's unmistakable voice ruled the radio airwaves! Composed of seasoned veterans, CAPTURED prides themselves on being a truly live tribute act. There are no backing tracks, period. What you hear is genuine! QUOTES: "Great show!! As close to Steve Perry as anyone could hope to get! Also, it seems a lot of tribute groups try to put their own subtle twists to the music they play (kind of the opposite of a tribute!) but you guys NAILED IT!!! All the music was just like turning on the radio and hearing the original music again! Thanks for a fantastic show!" "That was an awesome show. And he really sounds like Steve Perry.. Just awesome." "What a great concert! Sounded just like the real Journey" "Great show! By far the best tribute band we have seen."
