Hot August Nights

A Tribute To Neil Diamond

About

Since 1990, Barrie performed about 300 dates per year, 2 shows per day, and entertained more than 3 million show-goers. His shows perform in theaters and main casino showrooms, on cruise ships and at major corporate events. He is a popular guest on TV talk shows and receives a great deal of news press in the cities where he performs. Although best known for his live performances, he is also a recording artist with several releases. Barrie performs original material as well as songs composed by other artists. Barrie also has extensive experience in entertainment booking, production and showroom/theater operations.

Barrie is probably best known for his incredible tributes to the legendary Neil Diamond, Jimmy Buffett, and Neil Young. Barrie performs these tributes in main showrooms and theaters around the world including Japan, Russia, Hawaii, Canada, Australia and Europe. He has been the main Diamond and only Buffett tribute artist for Legends in Concert, American Superstars, Superstars Live in Concert and Stars in Concert (Europe). He now produces and stars in his own productions Hot August Nights-the Ultimate Tribute to Neil Diamond and Adventures in Parrotdise-the Ultimate Tribute to Jimmy Buffett. His tributes to Diamond and Buffett were the first tributes to play an indefinite engagement in a main showroom in a major Las Vegas Casino. Roger Bartlett and Fingers Taylor, two of Jimmy Buffett’s original Coral Reefer Band members now perform with Barrie in the most authentic Buffett tribute available. Other Coral Reefer's you may see with Barrie include Mike Utley, Robert Greenidge, Amy Lee, TC Smith, Doyle Grisham and more.
