Led Zepplica

A Tribute to Led Zeppelin

About

Please allow me to introduce you to the world’s finest and authentic tribute to Led Zeppelin. Led Zepplica has been performing as an entity since 1989 locally, nationally and internationally. They have developed a reputation for being the next best thing to seeing a live Led Zeppelin mid 1970's performance. Since that is an impossibility, Led Zepplica has evolved to being the best performing Led Zeppelin tribute band here in the United States and beyond. Their shows are charged with such emotion and realism, that people who attend these performances often forget that they are seeing a simulation.

The band currently utilizes two professional lead singers to portray Robert Plant. Since both perform in national touring acts, Led Zepplica can maintain a consistent working schedule despite external commitments. Either singer can be requested depending on their availability.

Joe Retta (Trans Siberian Orchestra, The Sweet, Dio's Disciples, Heaven and Earth) can easily hit the notes of early Robert Plant and the show is geared more to the studio sound of Led Zeppelin. Keith St. John (Montrose, Lynch Mob, Burning Rain) nails the live essence of Robert Plant and this enables the band to emulate the live concert versions of Led Zeppelin. Led Zepplica also consists of seasoned music veterans Lenny Mann as Jimmy Page, Johnny Bruhns (Circa, YOSO, Roundabout) as John Paul Jones and Darryl Johnson as John Henry Bonham.

Buyers from across the nation and world have recognized Led Zepplica's talents. They have flown

the band to locations such as Hawaii and most of continental US and internationally including Russia, Canada, Mexico, Chile and India performing in front of thousands as a headliner. Led Zepplica is a proven arena quality band that can bring full capacity size audiences into your venue.
