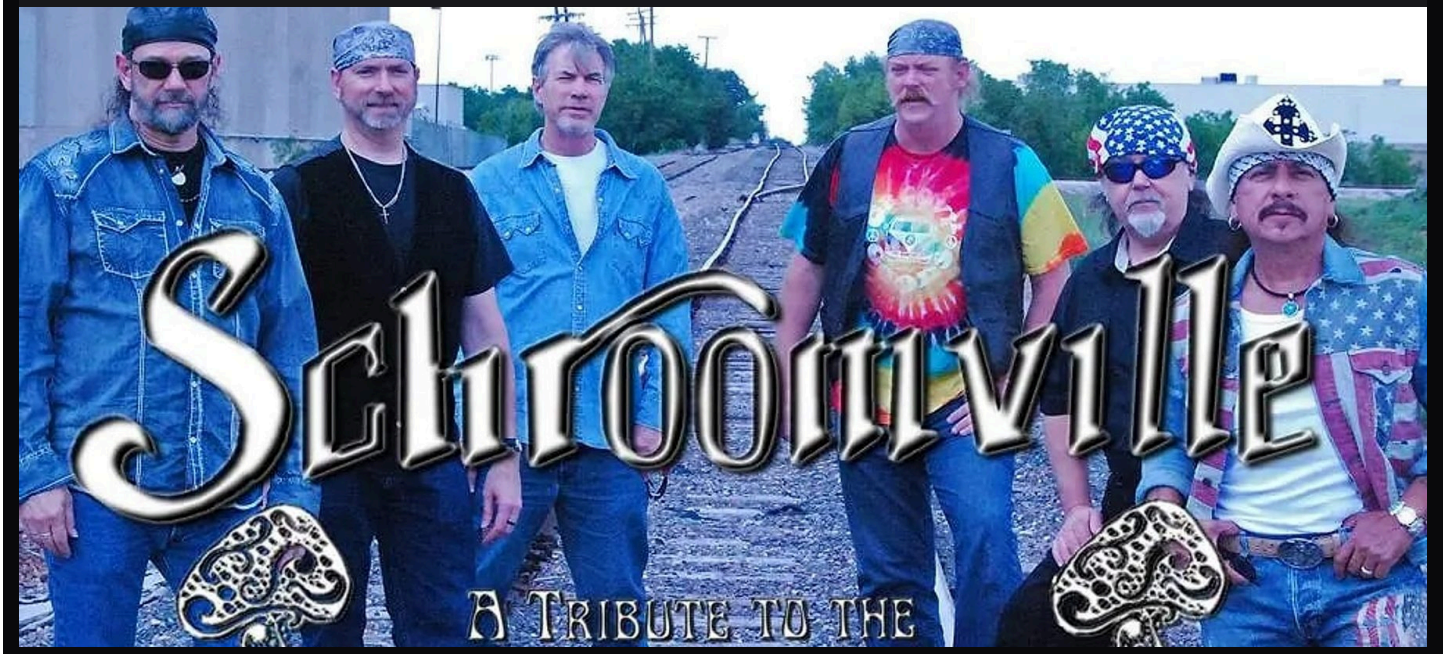
Schroomville

Schroomville – A Tribute To The Allman Brothers!



About

Schroomville is a group of DFW musicians with a love of both good music, and good performance. They got together with the intention of covering the Rock music of the early 70's. As things progressed, the music of the Allman Brothers Band took up more and more of the set, until it became clear the direction they were headed.

With 150 years combined playing/performing experience between them, they found the music of the Allman Brothers to be both challenging to perform, as well as providing ample opportunity to express individualism through improvisation.

Schroomville covers all phases of the Allman Brother's stellar career. They do their level best to bring you the sight, sound and intensity of an Allman Brothers Band performance each time they hit the stage.
