4 Lads from Liverpool

A Tribute to The Beatles

About

AN UNFORGETTABLE BEATLES TRIBUTE

In the music universe, The Beatles revolutionized how we perceive melodies, harmonies, and lyrics. "4 Lads From Liverpool" is more than just a tribute band; it's a testament to the indomitable spirit of an era marked by war and peace, chaos, and free love. At the heart of their music lies the universal message of love, a message that has unwaveringly transcended time.

JIMMY POU: As the embodiment of George Harrison, Jimmy has graced stages worldwide with the original Beatlemania show, ventured with acts like 1964 the Tribute, Beatlemania Now, and Rain, and even hosted a solo tribute - "An Evening With George". As the founding and leading light of "4 Lads From Liverpool", his passion ensures the band's true essence is ever-present.

HOWARD PATTOW: Channeling John Lennon, Howard Pattow's musical journey is diverse. He's taken center stage with "Which Ones Pink", a nod to Pink Floyd, led a Monkees tribute, and has resonated with audiences in Beatle-inspired performances such as BackBeat and Twist and Shout.

JON PERRY: Emulating Paul McCartney, Jon's natural left-handed guitar skills paired with his expansive vocal range and palpable stage presence often leave audiences wondering if they've just witnessed the real Sir Paul McCartney. Alongside his solo McCartney tribute, Jon's musical voyages include touring with RCCL Cruise Liners and sharing stages with Beatlemania's cast.

GENE MARTIN: In the role of Ringo Starr, Gene's perfectionism shines through every drum beat. His dedication to truly capture Ringo's charm and persona, both visually and sonically, is unparalleled. Years of honing his craft have culminated in a performance where Gene is the spitting image of the Beatles' iconic drummer.

Together, these talented musicians bring The Beatles' timeless legacy back to life, celebrating the magic and love that the legendary foursome brought into the world.

Short bio
