About

Step into the fire of rock history with Trevor James, a world-class guitarist and showman from Las Vegas who doesn't just play Jimi Hendrix — he becomes him.

This is no ordinary tribute. This is a full-throttle, soul-drenched, psychedelic explosion that channels the raw spirit of Hendrix with unmatched passion and precision. From the first riff of "Purple Haze" to the final wail of "Voodoo Child," Trevor James delivers the sound, the swagger, and the soul that made Jimi a god among men. His setlist is a searing journey through Hendrix's groundbreaking legacy — ripping through "Foxy Lady," "Hey Joe," "The Wind Cries Mary," "Red House," "Fire," and "All Along the Watchtower" with the kind of electrified intensity that leaves crowds breathless.

Hailing from Las Vegas and armed with over 20 years of experience, Trevor's commanding stage presence, virtuosic guitar work, and magnetic vocals have stunned audiences from gritty underground clubs to massive festival stages. His deep reverence for Hendrix's artistry fuels every performance, backed by a powerhouse band that hits with the force of a sonic freight train. This isn't imitation. This is resurrection.

Whether you're booking for rock fans, blues lovers, or a crowd that craves unfiltered, authentic live
