The band also has over 30,000 social media followers.

Reviews - "I've seen Nirvanna - Tribute to Nirvana about 4 times live and these guys do an incredible job at honoring the legacy of Nirvana and Kurt Cobain. They sound amazing live, but it's not just the sound that is excellent, it's also the visuals, the energy and the performance that is unmatched, in my opinion, from any other tribute band I've seen. These guys are always super friendly and down to earth in person which is so appreciated. All in all, I'll probably always go support them every time they come to town, and always make sure to bring a big group of friends because it really is a blast to experience this with other people, GRUNGE ON!"

I saw these guys in Punta Gorda Florida in February 2023! I was absolutely blown away as a teenager from the 90s! The performance was absolutely amazing. The crowd interaction was absolutely amazing. It took me back to my amazing grunge days! Seriously if you have any interest in Nirvana or grunge definitely check these guys out! I can’t wait to see them again!!! Grunge forever!

I don't usually write reviews but I have to for these guys. INCREDIBLE PERFORMANCE! I saw them at a casino and was blown away! The energy was through the roof the entire night. I felt as if I was in high school again in 1991. They nailed Kurts entire look and sound. I was screaming along to every song! I cannot wait until they come back, Great job guys, you made a lifelong fan!
