About

Ticket to the Moon is a tribute to Electric Light Orchestra, presenting familiar ELO songs with detailed arrangements, layered harmonies, orchestral textures, and a polished stage presentation.

The repertoire includes songs such as Mr. Blue Sky, Don't Bring Me Down, and Telephone Line. The show pairs live performance with perfectly placed videos on the screen for each song, creating a multimedia experience that extends beyond a standard tribute set.

The Multimedia Experience can be presented with 8 to 15 musicians. For larger productions, The Symphonic Experience adds a full orchestra. The band's members include Nathalie Tasse on keys and vocals, Jamie Meselsohn on bass and vocals, and Jade Tasse on vocals and percussion.

Founded in 2010, Ticket to the Moon has performed at venues and events including the Athens Theatre, The Funky Biscuit, Savannah Club, RCCL cruises, Montreux Jazz Festival, and Midwest Music Festival.
