Rudolf's Riot Hijacks the Holidays with a High-Volume Punk Rock Christmas Show

About

Forget everything you thought you knew about silent nights and roasting chestnuts. Rudolf’s Riot is here to hijack the holidays and turn your venue upside down with the ultimate high-energy, high-volume Punk Rock Christmas Show.

Born out of the sun-drenched, distortion-heavy gutters of Southern California, Rudolf's Riot features seasoned veterans from the region's premier tribute and cover acts paying homage to punk royalty including Green Day, the Ramones, Blink-182, Weezer, and more. We take your favorite traditional carols, timeless holiday classics, and nostalgic seasonal anthems, and run them through a high-octane blender of rapid-fire power chords, driving beats, and sing-along anthemic choruses.

Whether you are looking to pack the house at your local bar, inject some chaotic fun into a corporate holiday party, or turn an end-of-year event into an unforgettable mosh pit, Rudolf's Riot brings the noise, the nostalgia, and the holiday cheer with a mohawk.

Book Rudolf’s Riot today and give your crowd a Christmas they will actually remember.
