Era-Defining Rock Covers to the 90's/2000's

About

ALT2K – The Soundtrack of a Generation
The golden era of alternative rock is back. ALT2K brings the raw emotion and explosive energy of the '90s and 2000s to life, making them the perfect fit for summer concert series, festivals, and amphitheaters.

Choose Your Lineup
ALT2K offers distinct configurations to fit any stage and budget:

Original 5-Piece Band (Male-Led): Fuelled by grit and high-octane distortion, our male vocalist delivers the definitive rock experience. Think "main stage energy" packed with the core anthems that defined a decade of modern and classic rock.

Full 7-Piece Band (Dual Lead Vocals & Keys / Featuring Female co-Lead): The ultimate concert experience. Adding keyboard textures and soaring female lead vocals, this expanded lineup delivers a dual-fronted, co-ed explosion of hits covering the entire spectrum of alt-rock history.

The Experience
ALT2K captures the unmistakable riffs of Nirvana, Foo Fighters, and Pearl Jam alongside the soaring vocals of No Doubt, Paramore, and Alanis Morissette. Their setlist weaves through the biggest hits of the genre, including anthems like Smells Like Teen Spirit, Machinehead, My Own Worst Enemy, Hella

Good, Misery Business, and Say It Ain’t So.

Each performance blends grunge, post-punk, pop-rock, and modern edge into a tight, high-energy concert experience. Whether it’s the haunting harmonies of Alice in Chains, the melodic hooks of Weezer, or the driving force of Queens of the Stone Age and Smashing Pumpkins, ALT2K delivers an immersive, nostalgia-fueled show that keeps the crowd singing, jumping, and coming back for more.

From the core 5-piece rock set to the full 7-piece production for the ultimate rock revival—

ALT2K is ready to headline your next event.
