Animals, The Maroon 5 Tribute

Tribute to Maroon 5

About

Animals: The Maroon 5 Tribute is a Dallas, Texas-based tribute to Maroon 5, one of the most successful recording and touring acts of the past two decades. With a passion for recreating Maroon 5's electric live show and award-winning recordings, Animals offers an amazing homage that draws large, generation-spanning audiences to venues and events.
The five-piece band, which consists of seasoned musicians with decades of experience, is led by frontman David Gates, who has the unmistakable high-tenor sound — and the onstage charisma — of Adam Levine (and he looks a bit like him, too!).
For fans of Maroon 5, Animals is second only to the original
