Back In Black

A Tribute To AC/DC

About

The Black in Black tribute band is an incredible, exciting, high energy reproduction of a concert performance of AC/DC. All the members of Back in Black live in Dallas/Fort Worth area and are experienced musicians not only dedicated to the sound and look, but also capturing the power and excitement of AC/DC. We stand above the other AC/DC tributes because we include tribute performances of both Bon Scott and Brian Johnson.

Back In Black was formed in late 2000 by former LA bandmates Mike Mroz (Angus) and Darren Caperna (Bon & Brian). Mike had always recognized the potential of this project due to Darren's uncanny ability to transcend both the spirit of Bon Scott and Brian Johnson into his voice. Ken Schiumo (drums), Scott Lepage (guitar), and Eric Sykes were recruited from other great Dallas bands.

They are one of the first tribute bands chosen by Live Nation/CBS Radio to tour the House of Blues! They toured major arenas and theaters as part of the Classic Rock Experience in 2008/2009. They Headlined concerts at the Calgary Saddledome and Edmonton Arena. For the third year in a row they will headline the worlds largest Tribute Festival, Jacks Throwback in Dallas. They also performed to over 36,000 people at the Bone Bash in Ft Worth, and have been recruited by Sony Music, AC/DC's new record label, to promote catalog sales. 20th Century Fox have chosen Back in Black over all other tribute bands to record AC/DC's classics "TNT" and "A Long Way to the Top" for two of their movies, Napoleon Dynamite and Garage Days

Back in Black has also performed with Cheap Trick, Foghat, Bad Company, Loverboy, Jackyl, Blue Oyster Cult, Grand Funk Railroad, Head East, Seven Mary Three, Cardboard Vampires, Living Colour, Better than Ezra, Ted Nugent, Warrant, April Wine, Great White, Night Ranger, Violent Femmes and Vince Neil of Motley Crue.
