Black Sabbitch

Tribute to Black Sabbath

About

For over a decade, Black Sabbitch has been selling out shows and wowing even the most difficult to please Sabbath worshipers, gaining a rabid fan base and the respect of critics, fans, and musicians alike. They have become festival favorites, consistently performing with some of the world's biggest acts, in a world seldom traveled by your typical "tribute" band. Black Sabbitch was hand-picked by Sharon and Ozzy Osbourne to open the inaugural Ozzfiesta and by Dave Grohl to play Cal Jam with Foo Fighters and Iggy Pop, after which the FooFighters shared photos of Black Sabbitch saying "we were spellbound." They recently played a headlining set at Psycho Las Vegas with The Flaming Lips, Danzig, Ty Segal, and more. Nick Zinner of The Yeah Yeah Yeahs chose Black Sabbitch to headline his curated festival Bedrocktoberfest and legendary street artist Shepard Fairey had Black Sabbitch open his Black Sabbath retrospective, Never Say Die. Electroclash superstar Peaches recently sat in as lead vocalist with Black Sabbitch for a special two-night run in Los Angeles.
