HOW LOVER BEGAN

Charity Eden (lead singer of Lover) attended the Eras Tour on March 31, 2023 and was privileged to have a floor seat, front row, 10 feet away from Taylor, and was wonderstruck by the performance! But as the Eras Tour continued, ticket prices went higher and higher, making it almost impossible for the majority of fans to be able to attend the Eras Tour, let alone as close as the front row. So Charity felt completely inspired to create an opportunity for more people to be able to experience the Eras Tour, and so began the era of Lover!

WHO IS CHARITY EDEN ANYWAY? EW.

Charity is a Texas-based musician known for alluring her audience with her charisma and powerfully expressive vocal style. At just 7 years old, Charity began seizing every opportunity to perform—whether at churches, school events, talent shows, or even the local Opry in her hometown of Wylie, Texas. Pursuing her passion, she attended the University of North Texas (UNT) where she earned a

degree in music with a voice concentration. During her time at UNT, Charity did what she does best: she built connections. She feels fortunate to have the opportunity to perform with some of the country's most talented musicians. Whether performing at local venues, churches, weddings, and corporate events, Charity is always accompanied by top-notch musicians.

For over 15 years, she has been her own bandleader, showcasing her skills on guitar, piano, and even bass guitar. With her strong foundation in music theory, aural skills, leadership, and networking, she has made a significant impact on the Dallas-Fort Worth music scene. In 2023, Charity began releasing her own music, establishing herself as an original artist. You can check out "Charity Eden" on Spotify and Apple Music!

AN ERAS TOUR EXPERIENCE

Charity was determined to craft an experience that closely mirrored the highest-grossing tour of all time. She knew she wanted every era, every costume, every iconic moment, every dance move, every mannerism, and each unique note change that Taylor performs on tour.

Fully committed to creating the best show possible, she has assembled a dedicated team to bring these shows to life and has built an impressive following along the way. What began as a humble start playing local venues soon transformed into bringing her Eras Tour Experience around the world. Lover has performed in Japan, Kuwait, and all across North America, with upcoming shows in the Philippines, Canada, and beyond!

Get ready to be amazed by the incredible attention to detail and intention woven into every moment of the Eras Tour Experience show. For all the fans who couldn't get Eras Tour tickets, those who attended and are craving more, and for both dedicated music lovers and casual listeners, Lover's Eras Tour Experience is sure to surpass your expectations for a tribute band concert.
