Oceans

A Tribute To Pearl Jam

About

We dig Pearl Jam and their music so we started a band to pay tribute to them. We still play all the hits, but wanted people to hear some of the great deep cuts they wrote and are still writing. OCEANS is a local San Diego band that has strived to recreate the passion and sound that made Pearl Jam one of the most iconic bands of our time. Our goal is to enhance and introduce the power that is Pearl Jam. Whether or not the crowd consists of ravid fans or first time listeners, everyone will feel "Alive" at the end of the show!

OCEANS success in the West Coast club scene has created a demand for us to explore larger and more distant venues. Whether it be festivals, casinos, clubs, special events, or parties; Oceans is ready to rock the house. If it sounds fun we'll be there! The OCEANS lineup consists of six professional musicians that have played in original, tribute and cover bands over the course of their musical careers. The band formed in late 2017 with the intention to bring their passion for the Pearl Jam sound to West Coast venues and establishments. It may not be the real thing, but it's DAMN close!
