Poison Overdose

A Tribute To Poison

About

Poison Overdose is a Poison tribute band based in Kansas City, MO. We eat, sleep, and breath Poison music and look forward to tearin' it up at every one of our shows. We're your ticket to all that wild, outrageous, hair slingin', sweat flingin', kick @$$, good times. Bret's outstanding vocal ability and stage presence, C.C.'s platinum blond hair and rippin' guitar solos, Rikki's flamboyant drum style and perfect rhythm, Bobby's thundering bass, school-boyish smile and vocal harmonies from out of this world. Poison Overdose has it all!! The completely authentic look and sound is only the tip of the iceberg.

At a Poison Overdose show, huge visual effects adorn the stage as the state-of-the-art sound system builds to a bone crushing level. The band explodes, with the fury and attitude of that Poison melt down, we all miss. The smell of leather reeks, as clouds of scented fog roll over the vibrating stage. The pulsating crowd comes alive and cheers for more, More, MORE are overshadowed only by the thunder of the PA, and girls showing more than they should. A final salute of the confetti cannons, pay a well earned gesture of respect to Poison..... the ambassadors of glam-slam-rock-n-roll and the fans keeping their music alive. Silly string, beach balls, percussion cannons, confetti cannons, crowd participation..... Poison Overdose can bring it all your way. Talk about party bands,.....this really is an unforgettable experience! See ya there!
