# Taylor Made

A Tribute To James Taylor

## About

Taylor Made, The James Taylor Tribute Band, consists of a group of musicians who are dedicated to bringing the uplifting, soulful and memorable sounds of the legendary singer-songwriter to be enjoyed in any setting. Taylor Made may well be the only James Taylor tribute band in the United States of America (in fact, the only other one we could find was in Rome, Italy!). Paying close attention to the details of each song, we have crafted a sound that captures the live and recorded experience of listening to James Taylor in concert. The next best thing to JT himself!

Taylor Made consists of Stephen Bock on lead vocals and acoustic guitar, Darryl Lieberstein on bass and vocals, Hugh Laxineta on electric guitar, Preston Gould on horns and vocals, Dev Dosaj on keyboards and vocals, Sheryl Braunstein on vocals and Clark Pardee on drums.

Whether you are hearing classic JT tunes like Fire and Rain, Mexico and Shower the People, or his famous cover tunes like You've Got A Friend and How Sweet It Is, we believe you will close your eyes and marvel at the way Taylor Made brings the music of James Taylor and his band to life!

Taylor Made is playing throughout Los Angeles and the Southern California area and is available for private functions, corporate events, clubs and anywhere great music played with precision and energy is required.
