The Dreamboats

Premier 50s & 60s Band

About

WHO ARE WE...
Modern. Retro. Revival. The Dreamboats are creating a sound that is equal parts Chuck Berry & The Wonders. This quartet of Canadian boys delivers a high energy show that has audiences dancing the night away! After international tours in both Europe and California, The Dreamboats are ready to tear up the stage with their award-winning tunes inspired by the 50s & 60s music that they adore. Their on-stage antics are complimented by tales from their adventures on the road: from performing at the legendary Cavern Club in Liverpool (where the Beatles cut their teeth), to hearing how Rock n' Roll came to Canada first-hand from the legendary Ronnie Hawkins, to swimming in Elvis Presley's pool! The Dreamboats are bringing back sounds from this timeless era forward for a new generation to discover.
