The Smokin' Crows

A Tribute To The Black Crows

About

For over two decades, The Black Crowes topped the charts and reigned supreme over the radio waves, even as hair bands, grunge, and hip-hop threatened to dethrone them. With hits like "Hard to Handle," "She Talks to Angels," and "Remedy," their massive success launched them to stardom in the early '90s, earning them a place among rock royalty. They were on the cover of Rolling Stone, MTV played their videos 24/7, and Generation X re-discovered the power of classic rock and blues by digging into multi-platinum classics like Shake Your Money Maker and The Southern Harmony and Musical Companion.

Six dedicated musicians celebrate the high swagger, boogie, and bravado of the classic vintage style rock and roll that is The Black Crowes. Re-creating a raucous cocktail of bar-room blues and soulful nostalgic back-to-basics raw hard-rock, The Smokin’ Crowes are their own beast, blasting out authentic rock in a way that is both traditional as well as inspiring. From subtle to stun gun, The Smokin’ Crowes sound as good live as the album recordings and it most definitely shines in each of their live performances that resonate back to the crowds that make for an outstanding aural experience.

Song selections lean heavily from the 5x platinum debut album Shake Your Money Maker and the multi-platinum sophomore record The Southern Harmony and Musical Companion as well as choices from the gold selling Amorica and By Your Side releases respectively.

Short bio

The Smokin’ Crowes are six musicians celebrating The Black Crowes’ swaggering vintage rock and roll, with songs from Shake Your Money Maker, The Southern Harmony and Musical Companion, Amorica, and By Your Side.

Full press bio

The Smokin’ Crowes are six musicians celebrating The Black Crowes’ high-swagger, boogie-driven vintage rock and roll. Their live sound blends bar-room blues, soulful nostalgia, and raw hard rock, with song selections leaning heavily from Shake Your Money Maker and The Southern Harmony and Musical Companion, plus choices from Amorica and By Your Side. The set recreates the classic Black Crowes style from subtle to full-force, with a sound described as matching the album recordings.
