# Then Again

A Tribute To The Everly Brothers

## About

ThenAgain is Bob Chambers: Guitar/ Vocals and Cyril Cianflone: Bass/Vocals. Bob and Cyril have played together for over 30 years and additionally have played with the following artists: Laura Nyro, Felix Cavaliere (of the Rascals), Carmine Appice, Eddie Money, Vinnie Vincent, and the Cowsills. ThenAgain lovingly brings forth the Everly Brothers musical gems to be enjoyed by all. ThenAgain adds its own unique "live" rendition of the Everly classics by utilizing guitar and bass (instead of 2 guitars) without any other supporting instruments. This enables the duo to offer a fuller, richer sound stripped down to the basics while allowing an emphasis on their two-part harmonies.

ThenAgain pays tribute to the early Rock n Roll sounds of the Everly Brothers, known for their tight harmonies, catchy melodies and heartfelt lyrics. The Everly's had a profound influence on early Rock and Roll that can still be heard in present-day Pop and Country music. ThenAgain sings all the classics and much more, as they dig deep into the Everly catalog, covering little known gems like "Sleepless Nights" and "Don't Ask Me To Be Friends", songs you are very unlikely to hear anyone else performing.
The Everly Brothers music is classic “American Roots” music, and they were one of the first artists to have hit songs on the Pop, R&B and Country Music charts at the same time.
