Too Hype Crew

Tribute to 80s to early 2000s Hip Hop

About

Chicago's Too Hype Crew is a unique, multi-cultural party band covering a genre of music that is popular with the widest range of ages and backgrounds – classic hip hop and R&B from the 80's, 90's and early 2000's. And with the growing need for diverse festival and corporate entertainment, THC checks all the boxes!

Too Hype Crew is a seven-piece, all-live band (accompanied by choreographed Fly Girls) and performs all the great hip hop party classics that people know and love... but have never seen performed live. The performance is artistic and respectful to the music, yet wild, interactive and packed with impromptu comedic moments that create great memories for the party goers. Part band, part art, all party. TWC's festival & corporate shows are also family friendly, with everything from language, to song selection, costumes and even antics tailored to the event. Too Hype Crew's stage show is so entertaining that people who don't even like hip hop regularly go out of their way to share how much they enjoyed the show.

Too Hype Crew performs around the country and has opened for hip hop legends like Nelly, Flo Rida, RUN DMC, Digital Underground, Vanilla Ice, Tone Loc, Big Sean, Naughty by Nature, Rob Base & DJ EZ Rock, Lil Jon, Jason Derulo and Biz Markie. Corporate clients include Google, Microsoft, Anheuser-Busch, GrubHub, Wilson Dow, Miller-Coors, TransUnion and many more.
