A Tribute to The Cure & Duran Duran

About

The Cured are now entering their sixth year as a Cure tribute band. The band has played more than 250 shows both across the United States, and internationally as well.

The Cured pays homage to one of the most iconic and influential bands of the later 20th century. The Cured has selected a slice of the original bands history to perform on stage to the delight of audiences from coast-to-coast. While The real Cure has such a vast catalog they are known to play in excess of 3 hours. The average The Cured show is between 60-120 minutes, so they have created their song selection mainly on audience request.

Los Angeles based ARENA delivers a career spanning, pitch perfect “best of” concert that transports the listener through time and touches on several key points in Duran Duran's illustrious career. Songs from throughout their career are perfectly recreated. No detail of ARENA'S presentation has been overlooked. The visual presentation and in-show costume changes reflect different eras of Duran Duran's four decade long story.

With over 100 million records sold and a rabid international fan base, Duran Duran's career shows no signs of slowing down. Their enormous fan base encompasses all ages and crosses every demographic. ARENA brings a fun and staggeringly authentic Duran Duran experience to concertgoers wherever they perform.
