# Wild West

Lady Superstars of Country Music

## About

"Wild West" features songs by Shania Twain, Carrie Underwood, Martina McBride, The Chicks, Sara Evans, LeAnn Womack and many more, Wild West brings you all the ranges and tones of the HOTTEST, well-known women of country music.
Featuring 5 of the best female lead singers in South California; Khristina Kay, Jeannie Austin, Jana Givens and Liz Rohrs, together they cover the entire spectrum of the hottest hits of women in country music.
Known for their high energy, and authentic performances, Wild West puts on a show that you won't forget!
The members of Wild West all come from a wide range of musical backgrounds. From an award-winning Nashville recording artist and country singer, to some having advanced to degrees in music, to some who have toured nationally, together they bring their passion, profession and experience to put on one of the best authentic lady superstars of country performances you will ever experience! Their passion shines through on stage wherever they perform.
If you are a fan of the lady superstars of country and want an authentic experience with top notch performers and musicians, who keep the crowd engaged, then you want Wild West at your next show! Book Wild West now!
