

Young Guns

Tribute to the Superstars of Country Music

About

YOUNG GUNS is the ultimate party and country show band for corporate events, cruise ships, festivals, weddings, casinos, and clubs! They play all of the best country songs from the 60's, 70's, 80's and 90's through today. They also get the house rockin' with the biggest country rock songs from bands like Lynyrd Skynyrd, The Eagles, 38 Special, and ZZ Top. The guitar slinging group will even "country fry" rock anthems from bands like Kid Rock, AC/DC, Guns 'n' Roses, and Bon Jovi. YOUNG GUNS is not your regular old country band. They put on a show that is exciting, sexy, and makes you want to dance. Their talent and passion is on display at every performance, and they just make you feel good. As country music has evolved not a lot of cover bands have been able to embrace the old classics as well as the new artists. YOUNG GUNS has the unique ability to excel in all types of styles of the expanding genre.

With roots in the folk music of the Southeast, cowboy music of the West, and good old rock and roll, the band shines with harmonies, rhythms, and romantic ballads. With electric and acoustic guitars, banjo, violin, and powerful vocals, the party never stops.
